**[Birth Defect Registry Data on Agent Orange](#)**

The National Birth Defect Registry sponsored by Birth Defect Research for Children collects data on birth defects and disabilities in the children of Vietnam veterans. To view charts on these cases, go to this slide presentation which was made to the National Institute of Environmental Health Sciences.

<http://www.birthdefects.org/NIEHS/3510.html> To add your child's case to the registry, go to [www.birthdefects.org](http://www.birthdefects.org) and click on the registry on the home page.
